

A Snapshot of March, April & May Events & More

March really has been an exciting month since members from our AAUW Tucson Branch attended some events and are preparing for some dynamic events in April and May. Here is the information for the next three programs and we hope that everyone will come join us after not being able to due to the pandemic. We look forward to seeing everyone at the events that are scheduled in April and May and again in the Fall of 2024!

MARCH 5, 2024**Health and Wellness Event at Pima Community College**

Ana, Dawn, and Joan attended the Health and Wellness Event at the West Campus on 5 March. Susan provided this information from the Health & Wellness Event: Thank you so much for participating in this semester's Health & Wellness Event hosted by PCC's ARC Resource and Food Pantry! We had over 150 participants attend yesterday and engage with all 18 of our community agency partners. We really appreciate having you on campus, and we know that our students feel the same. We plan on hosting these events during the 2024 - 2025 Fall and Spring semesters and hope to see you there once again.

MARCH 7, 2024**International Women's Day at Pima Community College**

This was our 2nd year at Pima Community College celebrating International Women's Day (IWD). This year's IWD celebration was held at the Downtown Campus and we many and we had a great experience talking with the employees, students, and others who stopped at our display. Ana was at our AAUW information table and Joan kept busy making sure there were enough eegee's cups ready for those who stopped by. There were four winners who guessed the number closest to the number of M&M's in the glass lightbulb and won a \$15.00 gift card to Starbucks. A special thanks to Shirley who set up a Great Decision table and had some great conversations with those who stopped by to talk with her. The Paralegal and Civil Law Society Club at Pima Community College also joined us.

We have been invited back to celebrate IWD next year (2025) for our 3rd year, so we will be back at the West Campus. If you want to volunteer to help with this event, please let Joan know.

Here is the feedback that was received from the event: students shared how effective and engaging your event was and they loved the event and greatly appreciated the representation and information provided.
